

Key Stage 2 Things to do based on the Giro d'Italia

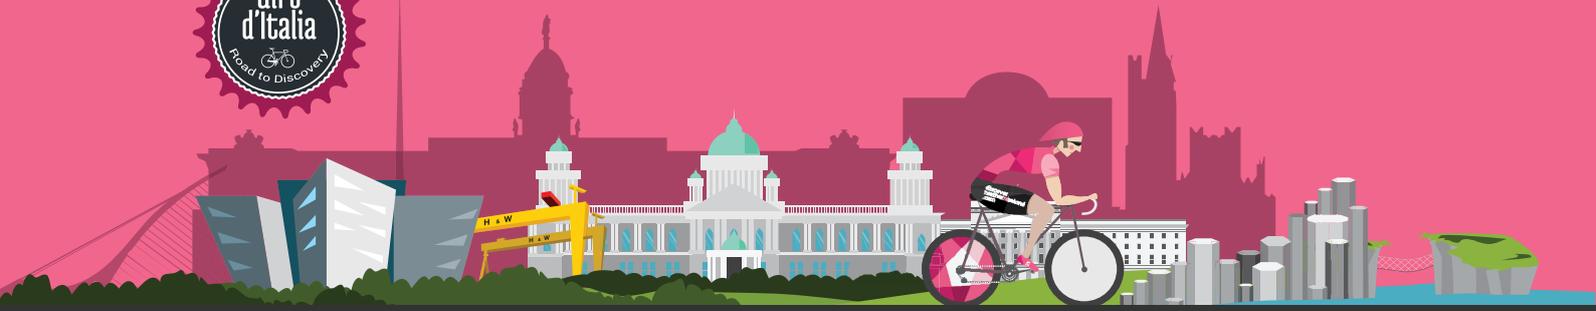

Instructions

- 1 Have a look at some of resources and links to websites with information about the Giro d'Italia coming to Belfast Northern Ireland and Dublin Ireland.
- 2 When you have found out about the Giro d'Italia, decide what you want to do. There are some ideas for things to do in the pupils section of the website. Or you can make up your own idea. When you have decided write down your idea.
- 3 **Website reviews**
After looking at the websites, either in school or at home, make a list of what you've seen that you want to use. You might find others that you want to add to the list, such as wikipedia pages.

You can use the list here or make your own. This will help you remember where to go back to.

URL	What's here	Marks out of 5	Tick if you plan to use it
http://en.wikipedia.org/wiki/Giro_d%27Italia	History, background and details. Lots of information including past winners.	5	✓

- 4 Once you've found out about the Giro, the next job is to decide what you want to do. Your teacher may have told you already, or you might have to decide for yourself. Use the ideas in the pupil section of the website if you're not sure yet. Think about what you want to know more about.

5

What we will do

We are going to find out more about:

(Say what you or your group are going to do about the Giro d'Italia.)

We will do this by:

(What will you do first, what will you do next?)

1

2

3

We will make:

(Say what the finished piece of work will be.)

We'll know it's good when:

(Say 3 things you want your finished piece to do.)

1

2

3

6

When you are finished, share what you have done with the rest of the class.

(check that you've got all the things you said you'd need.)

7

What did you think about it? What did the rest of the class think?

(How did that turn out? Were you pleased with the end product? What did other people think?

What would you do differently another time? What turned out best? Say what happened.)
