

Day 2 Causeway Coastal Route

Saturday 10 May Belfast – Causeway Coastal Route – Belfast

Day 2 covers over 200km of Northern Ireland's roads so there are a huge number of vantage points from which to view the race. You cannot park on the road along the route so you should plan where you are going to watch the race and identify an appropriate place to park nearby. This map shows the route for day 2 and the approximate times that the Caravan and Peloton will arrive at key locations.
