

**Northern Ireland Discount Codes**

The table below sets out the discount codes that Awarding Organisations must assign to qualifications that may be offered in schools in Northern Ireland.

The discounting process is used to ensure that credit is only given to a student once if they take more than one qualification at the same level in a particular subject area. A particular discount code will be assigned to a qualification primarily on the basis of the title of the qualification and the subject content.

<b>Discount Code</b>	<b>Discount Code Description</b>						
0	Unknown Subject						
0001	Art and Design (VQ)
