What is Learning Leaders?

- Ten Year Strategy for Teacher Professional Learning (TPL)
- Implemented in collaboration with key stakeholders
- Sets out DE's vision, principles and aims in relation to TPL
- Five key areas – with focus on leadership, best practice, collaboration and engagement
- Fifteen policy commitments

Key Messages

- Empowering the teaching profession to strengthen its professionalism and expertise
- Providing a structured framework for TPL
- Developing the leadership capacity of all teachers
- Building practice-led support within communities of effective practice
- Developing a coherent system of career long TPL
- Growing a self-sustaining system of professional learning

Moving Forward

- Develop leadership competences
- Conduct research into Professional Learning Frameworks
- Develop guidance on self-evaluation for TPL
- Evaluation of best practice in ITE
- Ongoing engagement – establish an online presence
- Host best practice seminars/conferences based on ETI case studies
