

Annual Report Headings

The draft Education (Pupil Records and Reporting) Regulations (Northern Ireland) 2009 intends that teachers should report briefly the pupil's educational and other achievements against headings that are in line with the Revised Curriculum. These are listed as follows:

Communication (taking account of achievement in the Language and Literacy area of learning)	Communication in Irish (taking account of Language and Literacy) Communication (taking account of Language and Literacy) Please note: This should be included from Year 4 or earlier at the discretion of the school, and refers to Communication in English.
Using Mathematics (taking account of achievement in the Mathematics and Numeracy area of learning)	
Using ICT	
Other Skills (Thinking Skills and Personal Capabilities): <ul style="list-style-type: none"> • Managing information • Thinking, Problem-Solving and Decision-Making • Being Creative • Working with Others • Self-Management 	
The Arts	
The World Around Us	
Personal Development and Mutual Understanding	
Physical Education	
Interests and Strengths	
Focus for Development	
Religious Education	
Optional Content - this is an opportunity for a school to add a heading of their choice	

Please note: Schools may include additional information, if they wish to do so, e.g., where a school would have provided class test outcomes or other assessment information to parents, they will be able to continue to do so.
