## Availability of Mark Schemes for CCEA GCE Physics AS 3/A2 3 Practical Examinations (2013)

Please inform your Head of Physics that the mark schemes for CCEA AS3/A23 physics practical examinations will only be made available to teachers, from the School Examinations Officer, the day after the alternative examinations (AY132 and AY232) have been completed. This means that for AS 3, the mark schemes for **both** AY131 and AY132 will only be available from Monday 20<sup>th</sup> May 2013 and for A2 3 the mark schemes for **both** AY231 and AY232 will only be available from Monday 13<sup>th</sup> May 2013.

Please note that the collection date for the marked AS3 and A23 scripts has been moved back to the 4<sup>th</sup> June 2013 to allow sufficient time for teachers to complete their marking. Please ignore the collection date of Friday 31<sup>st</sup> May 2013 which is currently stated on the published CCEA GCE Exam Timetable for Summer 2013.

All of the above changes will be included on page 3 of the CCEA GCE Physics AS 3/A2 3: Instructions to Teachers booklet which will be available for download from the CCEA website.
