GCE/GCSE eCandidate Record Sheets Scope for Summer 2014

This circular is to notify centres of the GCE/GCSE eCandidate Record Sheets scope in summer 2014.

Summer 2014

As part of CCEA's deployment of GCE/GCSE eCandidate Record Sheets (eCRS) the number of subjects with **mandatory** use in summer 2014 will be increased. In addition to the subjects involved in summer 2013 a further ten GCSE subjects will be required to use eCRS in summer 2014.

Details of the subjects with mandatory use of eCRS in summer 2014 are listed overleaf.

Further details and guidance on using eCRS will be communicated to centres via the following channels:

- Subject specific agreement trials;
- Exams Officer seminars;
- Subject specific circulars;
- Updates to the eModeration microsite.

Beyond 2014

It is CCEA's intention to roll out eCRS to all remaining non visit subjects for GCE and GCSE in Summer 2015.

Phase 2 of the project will focus on:

- All visiting assessed units using eCRS to submit online marks.
- Changing the submission of samples from manual to electronic, for appropriate subjects.
- Changing the sampling process to request the sample after the centres' marks have been submitted.

Details of phase 2 will be communicated to centres at the earliest opportunity.
