GCSE Physical Education

Further information on the use of eCandidate Record Sheets in 2019

As communicated in June's circular (S/IF/34/18), GCSE Physical Education will be among those subjects using eCandidate Record Sheets (eCRS) to submit marks to CCEA in summer 2019.

Using eCRS will remove the need to complete record sheets manually, as well as the requirement to fill in and submit hard copy TAC1 and TAC2 forms. Submission of marks, in addition to declarations of authentication and internal standardisation, will now be done online. Examinations officers must register users to appropriate units to allow eCRS to be accessed. Further details on the use of eCRS will be provided at the Agreement Trial, and attendance at these is therefore recommended.

In the grid below are the intended key dates (at time of publication) for eCRS in 2018-19. These will be confirmed at the Agreement Trial. Closing dates will also be displayed within the eCRS application.

Subject	eCRS Available to Centres	Closing date for eCRS Submission	Visiting Moderation Period (Timetabled)
GCSE Physical Education G9773	12 th November 2018	6 th March 2019	25 th March – 12 th April 2019

There is a range of eCRS support available to teachers:

- CCEA staff will be at Agreement Trials to answer any questions you might have;
- The E-Moderation microsite contains support documents and a tutorial video. Go to http://ccea.org.uk/qualifications/e_moderation/application_details/ecandidate_record_sheet;
- You can contact the Operations Modernisation team using the details at the bottom of this circular.
