Functional English and Functional Mathematics: Level 1 and 2 Cut Scores Summer 2018

As you are aware, the first qualification outcomes for Functional English and Functional Mathematics will be awarded in summer 2019, alongside the first issue of GCSE grades for the revised specifications.

Notional raw mark cut scores were set on the relevant summer 2018 assessment units. The cut scores for summer 2018 are provided in the table below. CCEA is making the notional raw mark cut scores available to centres to inform decisions regarding the re-sitting of units, where this is possible. The raw mark scores may change year on year in the same way as grade boundaries.
