

Circular S/IF/74/18

December 2018

To: Head of Mathematics, Statistics

For circulation to: All teachers/tutors taking GCSE Statistics

Changes to Specification

Some minor amendments have been made to the GCSE Statistics specification. The updated version of the specification can viewed on the Statistics microsite <http://ccea.org.uk/statistics/>.

A support event to discuss the updated specification will be held in early 2019, details will be available on CCEA website follow the link to Events.
