

External Candidate Booklet

September 2017 – June 2018

This booklet contains guidance for external candidates wishing to enter for CCEA examinations

CONTENTS

Information for External Candidates	1-4
Guidance Notes	5
Centre Details..... (Including contact details and conditions of acceptance)	6-12

Information for External Candidates

What is an external candidate?

An external candidate is a candidate who wishes to sit CCEA examinations and requires a centre to submit their entry to CCEA and to provide accommodation for the examination(s). The candidate is normally a student who does not attend classes and is studying independently to obtain their qualification.

How do I enter as an external candidate?

A registered School or Further Education College must enter a candidate. A candidate is unable to enter directly via CCEA. It is up to the candidate to contact the centres detailed in this booklet regarding entry for examinations and conditions of acceptance. It is advised that candidates contact centres well in advance of the entry closing dates. The centres in this booklet that have specified Past Pupils Only will not accept any other type of external candidate.

The table below details the entry closing dates for CCEA examinations.

Examination Series	Examinations Offered	Closing Date for Receipt of Entries
GCSE January (Spring)	GCSE English GCSE Mathematics GCSE Learning for Life & Work	21 October 2017
GCE May/June Assessment GCSE May/June Assessment	GCSE May/June Examinations Non-Modular (Linear) GCSE May/June Assessment Units GCE A/AS May/June Assessment Units	21 February 2018

- **Please note: Centres may have their own internal closing dates. These should be confirmed with the Centre.**
- **GCE A/AS examinations are available in the summer examination series ONLY.**

Information for External Candidates

Where can I find the course content/subject specifications?

All specifications and relevant material, such as past papers/support materials, are available for download via the CCEA website www.ccea.org.uk.

What information will I need?

You will need to provide the centre with details of the examination(s) you wish to undertake, any certification codes, personal details i.e. name, age, date of birth and your UCI number. You will also be asked to provide photographic evidence for identification purposes.

What is a UCI number?

A UCI number is a unique 13-digit code that links all of your examination results. This number is issued when you undertake your first examination and is detailed on your Statement of Entry, Statement of Results and examination Certificate.

What if I do not have my UCI number?

If you do not have this number, you will need to contact your previous centre who can provide you with this information. If you are unable to locate your UCI number the entering centre can allocate one for you. However, please be aware that failure to maintain your UCI number could result in delays for receiving results.

What is a certification (cash in) code?

A certification code is the overall code for a **subject** and links all the units within that specification. This allows an overall grade to be awarded. If you wish to receive a grade/certificate you must inform the centre that you require an entry for certification.

How much does it cost to enter as an external candidate?

An Excel document detailing examination fees is contained in the Qualifications Administration Handbook available for download via the CCEA website www.ccea.org.uk.

Centres may also levy additional administration charges. Any additional charges are at the discretion of the exam centre.

An external candidate will pay the entry and administrative charges (if applicable) directly to the exam centre. Payments cannot be sent directly to CCEA.

Information for External Candidates

How do I submit AS/A2 coursework for marking?

The centre that makes the exam entry is normally responsible for marking a candidate's coursework unit. The centres detailed in this booklet will not mark any coursework as they cannot verify that the work is the candidate's own. CCEA does not mark any coursework on behalf of an external candidate. If a centre is unwilling to verify and mark the coursework it cannot be accepted by CCEA. Any previous coursework unit results will remain available if only written examinations re-taken.

AS/A2 Science Practical Examinations

Many centres **will not** accept entries from an external candidate for a practical examination where the centre does not teach that specification. Information for the conduct of the practical exam is only issued to centres that have identified to CCEA that they required this information. Centres not offering the specification will not receive any documentation. Please inform the centre at the beginning of your enquiry if any of the unit(s) you wish to sit is a practical exam.

How many attempts do I have at an A/AS Level?

Candidates may re-sit an individual unit ONCE only. This applies to all AS and A2 units.

A qualification may be taken more than once. However if units have been attempted twice then candidates will have to re-enter all units and the appropriate cash-in again (Fresh Start).

Please note: no results from units taken prior to the fresh start can be used in calculating the new grade.

Revision of GCE A/AS Specifications

CCEA have revised their suite of GCE A/AS qualifications. Any candidate who began their course of study prior to September 2016 will have a final opportunity to re-sit GCE A2 Units Only in Summer 2018.

No GCE AS re-sits are available in Summer 2018 for courses prior to September 2016.

I cannot find the exam I wish to enter on the CCEA timetable

The unit may be a coursework or controlled assessment unit. These assessments are not listed on the timetable as the subject teacher conducts them within class time. If the unit is a written exam, it may not be available in the January examination series but available in May/June examination series only. AS and A2 examinations are only available in the May/June examination series.

I am a candidate studying in England; can I enter for CCEA examinations?

Centres in England are not permitted to enter candidates for CCEA examinations.

Information for External Candidates

Can I retake a GCSE?

A candidate may retake a GCSE qualification. The candidate must complete their course by taking unit(s) that make up at least 40% of the weighting for the whole qualification (Terminal Rule). The results for the unit(s) that satisfy this 40% terminal requirement will count (i.e. they will be used to calculate the grade); even if a better score for an earlier attempt at exists. Please refer to the guidance notes outlining the weightings of GCSE units:

http://ccea.org.uk/sites/default/files/docs/qualifications/admin_help/handbook/Modular_GCSE_Unit_Weightings_2016-17.pdf]

I am a candidate currently being home tutored; can I enter for CCEA GCSE examinations?

CCEA GCSE Specifications are not suitable for any candidate that is home studied. This is due to the controlled assessment criterion. A centre will not mark any controlled assessment units on your behalf if you do not normally attend that centre.

Does CCEA offer tuition for external candidates?

No CCEA is an Awarding Organisation and does not provide private tutoring for external candidates. CCEA do not hold any details on tutors who are willing to accept individual candidates for one to one tuition.

How will I receive my results?

The exam results are issued directly to centres. You will need to confirm arrangements with the centre for the collection of your examination results. CCEA **do not** issue results directly to candidates.

How do I contact CCEA?

For queries involving the content of a specification you should contact the relevant subject officer. Each specification details the contact details for the officer responsible and their support officer.

If you have any queries relating to entering as an external candidate you should contact Jennifer Bradley in the Entries Section.

Jennifer Bradley

GUIDANCE NOTES

GCSE Specifications Controlled Assessment

Most GCSE Specifications contain controlled/internal assessment. Controlled assessment is for GCSE subjects that require internal assessment.

Further information on controlled assessments can be obtained from the controlled assessment microsite on the CCEA website www.ccea.org.uk or JCQ website www.jcq.org.uk.

Controlled assessment units are not suitable for independent study. Centres that are willing to accept external candidates do not mark any controlled assessment units.

If you wish to re-sit controlled assessment units you will need to advise the centre at the beginning of your enquiry. If the centre does not accept entries for controlled assessment units, you will need to enrol in a night class/part time study course to complete the specification.

CCEA GCSE Specifications that do not contain any Controlled Assessments

- Religious Studies
- Mathematics
- Further Mathematics

Non Modular Examinations (Linear Specification) that included a Controlled Assessment

Where a candidate repeats a **non-modular** (Linear) qualification, their moderated controlled assessment marks may be carried forward during the lifetime of the specification. Further information on the transfer of Coursework can be obtained from the JCQ website www.jcq.org.uk.
