GCSE Food and Nutrition Updated Specification

Please be advised that the specification for GCSE Food and Nutrition has been updated with the following amendments and can be accessed on the CCEA subject microsite.

Amendments:

- p22 - word limit for **Component 2: Practical Food & Nutrition** amended to read +/- 10%
- p31 - contact details amended
- p35 - **Assessment Criteria for Component 2: Practical Food and Nutrition** amended to four **different types of source** for MB1-4 as per the Food and Nutrition Controlled Assessment Teacher Guidance
- p38 - **Assessment Criteria for Component 2: Practical Food and Nutrition** amended to provide clarity on how **4 marks for presentation** (i.e. word count, referencing and bibliography) are to be distributed as per the published Food and Nutrition Controlled Assessment Teacher Guidance

These amendments ensure the specification is up-to-date and that there is consistency with the **published Food and Nutrition Controlled Assessment Teacher Guidance**.

The updated GCSE Food and Nutrition specification can be accessed on: http://ccea.org.uk/food_nutrition/
