GCE Physics, GCSE Physics, GCSE DA Science(Physics) Summer Practical Theory Examinations

Would centres please be advised that as stated in all the above revised specifications **protractors** are a piece of basic equipment which candidates are required to be able to use and as such will be required for use for in all Summer Practical Theory Assessments of the following units:

- GCE Physics units AS3 and A23(SPH32 and APH32)
- GCSE Physics Unit 3 Booklet B (GPY32 and GPY34)
- GCSE DA Science (Physics) Unit 7 (GDW74 and GDW78)

Please ensure that all teachers and staff with responsibility for the teaching, assessment or administration of these examination units at your center have noted this, and that **candidates are advised to bring protractors with them to these assessments.**

This requirement is also stated in the invigilators diary for these examinations this year.
