

Circular S/IF/38/21

December 2021

To: The Head of Department - Home Economics/Child Development

For circulation to: All Teachers of GCE Nutrition and Food Science, GCSE Food and Nutrition, GCSE Child Development and/or Entry Level Home Economics

Home Economics, Food and Nutrition and Child Development Updates

Summer 2022 - GCE Nutrition and Food Science

AS 1 and AS 2 examinations will be marked online in Summer 2022. Candidates will complete their responses in the question paper booklet provided rather than the answer booklets they have used up until now. We would ask that teachers brief candidates of this change.

Agreement Trials 2021

Recorded webinars and associated materials were released on 5 November 2021 to all centres, via the Examination Officer, for the following subjects: ELQ *Home Economics*, GCSE *Food and Nutrition*, GCSE *Child Development* and GCE *Nutrition and Food Science*.

British Nutrition Foundation (BNF) - New Resources

The BNF have a number of new resources, including 'What is a healthy, sustainable diet?' on www.nutrition.org.uk, and on www.foodafactoflife.org.uk you can access resources for pupils with additional needs, early years activity packs, challenge-based activities for ages 11-14 and 14-16 and teacher training webinars.

Registrations are open for BNF's Healthy Eating Week, 13-17 June 2022 - www.healthyeatingweek.org.uk

Seafish UK in association with the Belfast Cookery School are offering Seafood MaSTErclasses (Marketing Seafood Through Education) in Jan-Mar 2022. Learn how to source, prepare and serve a variety of local seafood from Belfast Cookery School Head Chef Ian Hunter. These free MaSTErclasses are tailored specifically for college students, chef lecturers and home economics teachers. Book your place by contacting Stuart @ Belfast Cookery School info@belfastcookeryschool.com or by calling 07703 836389.
