True Colours Shout Out

CCEA are planning towards a True Colours event for December 2021/January 2022. Due to the ongoing uncertainty relating to public health restrictions, we are planning this as a virtual event. This is currently a proposal, and we are awaiting confirmation that it can go ahead.

More details will follow on how to submit the e-portfolio for True Colours selection. The candidate and centre will be responsible for preparing and presenting the work in an appropriate e-portfolio format.

We can accept one submission only from each level or qualification in your centre. This includes:

- Entry Level Art and Design
- GCSE Art and Design
- GCSE Contemporary Crafts
- AS Level Art and Design
- A2 Level Art and Design

We hope to be in a position to confirm if True Colours will run in the next academic year by early September 2021. In the meantime, you should begin to set aside and prepare any work from your candidates which you would like to submit to us for consideration in our selection process.
