GCE Moving Image Arts Summer 2022

Please note that there have been some amendments made to the Summer 2022 Subject Guidance documents for AS and A2 Moving Image Arts to clarify the requirements for the Synopsis in both AS Unit 1 and A2 Unit 1.

At both AS and A2, the synopsis must relate to a student's full and final script, not just to the excerpt that the student then plans to film which they have selected from their script.

Slides 11 and 12 in the Summer 2022 Support Webinar have also been amended accordingly to clarify this.

Please discard previous versions of the Summer 2022 Subject Guidance and Support Webinar.
