Component 2 – Password Protected Access – New Registration Required

As a final step in the transition from our legacy website to our current website we will require **ALL** GCSE Moving Image Arts teachers to re-register in order to gain access to current and any future Component 2 controlled assessment stimulus files.

You can register here: <https://ceea.org.uk/key-stage-4/gcse/subjects/gcse-moving-image-arts-2017/assessment/access>

You will only need to complete this registration once. Following registration, CCEA will review your request and if approved, you will receive an email from CCEA containing the password to access this area of our site.

Please note, only current teachers of GCSE Moving Image Arts should register for this access. We would also request that you do not share the password with anyone else.

Access to the password protected area on our legacy site is no longer available.

Once you have successfully registered and received your new password via email from CCEA, you can login here: <https://ceea.org.uk/key-stage-4/gcse/subjects/gcse-moving-image-arts-2017/assessment/live-tasks-stimulus>
