

Circular S/IF/32/22

June 2022

To: The Examinations Officer

For circulation to: The Head of Department for Technology and Design and all teachers of Construction and the Built Environment

GCSE Construction and the Built Environment Internal Assessment for the 2022/23 academic year

I wish to inform you that the Controlled Assessment tasks for GCSE **Construction and the Built Environment** Unit 3 **The Construction Craft Project** and Unit 4 **Computer Aided Design in Construction** will not change for the 2022/23 academic year. The current Controlled Assessment will therefore remain valid and should be used for the assessments of **Unit 3 and Unit 4**.

The tasks are available for download from **GCSE Construction and the Built Environment** microsite:
<https://ccea.org.uk/key-stage-4/gcse/subjects/gcse-construction-and-built-environment-2017>
