

# Circular S/IF/14/22

March 2022

---

**To:** Heads of Department for Technology and Design and Construction and the Built Environment

**For circulation to:** Teachers of GCSE/AS/A2 Technology and Design and GCSE Construction and the Built Environment

---

## GCSE and GCE Technology and Design and GCSE Construction

### Submission of Controlled Assessment/Coursework instructions

Because of the assessment arrangements in place for Summer 2022, this is to remind you that visiting moderation will not take place this year for GCE and GCSE Technology and Design and GCSE Construction and the Built Environment. Instead, centres must send the sampled Controlled Assessment/Coursework material to CCEA, in either hard copy or electronic format. Hard copy only for GCSE Construction and the Built Environment.

Please refer to the attached document(s) for information on how to submit Controlled Assessment and Coursework for GCSE and GCE Technology and Design and GCSE Construction and the Built Environment in the Summer of 2022.

#### Technology and Design

GCSE Entry Code: G9952 Unit 3 Code: GTY31

AS Subject Code: S8904 AS Coursework Unit Code: STE21

A2 Subject Code: A8904 A2 Coursework Unit Code: ATE21

#### Construction and the Built Environment

GCSE Entry Code: G9062 Unit 3 Code GCN3 (The Construction Craft Project)

Collection of coursework and controlled assessment from Centres and submission of eCRS to CCEA deadline: Tuesday 3rd May 2022.
