

# Circular S/IF/27/23

April 2023

**To:** Heads of Department Technology and Design Engineering and Manufacturing and Examination Officers

**For circulation to:** Heads of Department, Teachers of Technology and Design, Engineering and Manufacturing and Examination Officers

## Page Quantities

Centres are reminded that they must ensure candidates do not exceed the quantity of pages allowed in their coursework and controlled assessment folders; moderators will only be reviewing evidence that falls within the quantities set out for each specification.

The maximum number of pages allowed for each unit is set out in each of the specifications and corresponding agreement trial material. Centres can access agreement trial material using the links below.

GCE A2	Technology and Design	<a href="#">agree-trials: Technology &amp; Design ATE21 2022-2023 (ccea.org.uk)</a>
GCE AS	Technology and Design	<a href="#">agree-trials: Technology &amp; Design STE21 2022-2023 (ccea.org.uk)</a>
GCSE	Technology and Design	<a href="#">agree-trials: Technology and Design GTY31 2022-2023 (ccea.org.uk)</a>
GCSE	Engineering and Manufacturing	<a href="#">agree-trials: Engineering &amp; Manufacturing GEM11 2022-2023 (ccea.org.uk)</a>

## Application of the Standard

Centres are also reminded they must ensure that when marking their candidates' work, they apply the standard set out in the agreement trial material. Further to this, please refer to Q3 in the [Assessment Arrangements for GCSE, AS and A Level Qualifications in 2022/23: Technical Questions and Answers](#).
