## OLA - Change to sampling and recording arrangements for 2023

### Important Information on change in arrangements for sampling and recording candidates in 2023

Please note that due to the change in process for sampling instructions for OLA for 2023, centres must record sound files for the Speaking tests for **all** candidates. These recordings must be in mp3 format. Centres will receive information on sampling for all components once marks have been submitted.

**Please ensure that all teachers of OLA and all candidates are aware of the above.**

Many thanks for your co-operation.
