For circulation to: All Heads of Department and Examination Officers

Occupational Studies Level 1 & 2 Submission of Course Work Summer 2023

For the 2021/2022 academic year, reduced assessment requirements were in place for Occupational Studies qualifications. These arrangements were in place for **one year only** and were introduced to address public health concerns and align with policy decisions. CCEA wishes to remind centres that these requirements have now been disappplied and candidates completing Occupational Studies unit(s) will be expected to meet the task requirements in place in a normal year.
