Additional Exemplification of Examination Performance

Using student responses from the 2023 summer AS and A2 examination series of CCEA's revised GCE Specification, we have produced an additional Exemplification of Examination Performance resource. Each response was awarded a mark within the highest mark band.

Students' responses are reproduced verbatim and were awarded a mark within Band 5 (41 – 50 raw marks). We are grateful to the students who granted us permission to share their examination responses.

It is intended that the materials should help teachers and students identify characteristics of Band 5 performance regardless of the textual option studied.

The document can be accessed under the 'Exemplification of Examination Performance' tab at the link below.
