GCSE/GCE AS Geography Fieldwork Booklets

As we are a few weeks into the new academic year it seems like an opportune time to remind you that you may need to order a new supply of GCSE and AS fieldwork booklets for your students.

Simply email CCEA - geogbooklet@ccea.org.uk requesting the required number of each fieldwork booklet.

CCEA **do not** automatically send them out as we do not have information yet on the numbers of booklets required by each Centre for each level, but as an HOD you can use current class sizes to decide on the quantity you will need. Please note, photocopies of the CCEA supplied-fieldwork booklet cannot be used.

Guidance on filling in the booklets can be found within Circular S/IF/28/23, issued in April 2023
