

Circular S/IF/30/24

April 2024

To: The Examinations Officer

For circulation to: The Head of Department and All Teachers of Moving Image Arts

GCE/GCSE Moving Image Arts

Call for Entries – Showcase 2024

We would like to invite you to submit your entries for the Moving Image Arts Showcase 2024 where we hope to celebrate the best work at GCSE, AS and A2 level.

To help facilitate the selection of the winning films, we would be very grateful if you could submit entries as follows:

- select your top 3 live action films of the 2023/2024 academic year for AS Unit 1, A2 Unit 1 and GCSE Component 3 (i.e. a total of 9 films if you have delivered courses at all 3 levels*).
- if also available, select your top 3 animated films for AS Unit 1, A2 Unit 1 and GCSE Component 3.
- submit productions as movie files on a data DVD or pen drive as **uncompressed H264 .mov files**. The file resolution should match the resolution the film was originally shot in. **Playable DVDs will not be accepted.**
- please use a protective envelope/padding to prevent damage.
- **complete the attached application form.**
- please also submit all copyright and consent forms (if not already submitted to us as part of the moderation sample - and please indicate if already submitted).

We strongly recommend that you retain original project files for all films that you enter into the showcase in case there are compression issues that need to be addressed in the Autumn when we are editing successful films in preparation for cinema exhibition.

To be considered for selection entries must be received by application deadline: **Monday 20th May 2024.**

Entries should be marked for the attention of:

Louise Millar, Moving Image Arts Specification Support Officer
Awards Entries 2024
CCEA
29 Clarendon Road
Clarendon Dock
Belfast
