

# Circular S/IF/65/24

December 2024

**To:** The Principals of Post-primary Schools and Directors of Further and Higher Education

**For circulation to:** Heads of Science and Teachers of GCSE Agriculture and Land Use

## GCSE Agriculture and Land Use

### Agreement Trial

This year the agreement trial for GCSE Agriculture and Land Use is recorded to ensure all teachers have access. In addition to the agreement trial materials, guidance documents for both Task 1 and Task 2 are included to further support teachers. All materials can be downloaded, saved or printed off for convenience. An email with detailed instructions and a link to securely access the agreement trial materials has been sent to schools.

### Support Event

We would like to invite you to attend a GCSE Agriculture and Land Use support event (full day) on Wednesday 22 January 2025 at CAFRE, Greenmount Campus.

This free event will offer support relevant to some of the 2026 Controlled Assessment task titles. For those unable to attend, all presented materials will be made available by contacting the Education Manager with responsibility for GCSE Agriculture and Land Use, Paul Wright. Attendees will also have the opportunity to engage with an 'Opportunities in Agriculture' event and network directly with Agri-employers, as well as see some of the facilities available at Greenmount.

Who should attend?

- Heads of Science/Subject leaders for Agriculture and Land Use;
- Teachers of Agriculture and Land Use;
- Teachers interested in delivering the Agriculture and Land Use specifications.

How to book your place

Places are limited. Please book your place by emailing Louise Millar at [lmillar@ccea.org.uk](mailto:lmillar@ccea.org.uk) by Friday 10 January 2025.

Final details will be provided once confirmed.
