For circulation to: All Heads of Department and Teachers of Health and Social Care

## GCE Health and Social Care Examination Papers – Summer 2024 and onwards

Units SHC31 and AHC31 have been marked online and this is to inform you that the following units will also be marked online from Summer 2024:

SHC51

SHC71

AHC61 and

AHC71

Currently the Question Paper incorporates space for candidates to write their responses and this will continue to be the case. However, to facilitate the online marking, each page will have boxed areas that contain that response space. Candidates must not write outside the boxed area on each page as this will not be copied across when scanned for online marking.

Candidates must not write on the pages marked 'blank page', as again, they will not be scanned.

Please make students aware of these changes for the above-mentioned units.
