January 2024

To: The Principals of Post-primary Schools and Directors of Further and Higher Education

For circulation to: Head of Department and Teachers of GCE Sports Science and the Active Leisure Industry

## GCE Sports Science and the Active Leisure Industry AS and A2 Format Change for Summer 2024 onwards

### GCE AS Sports Science Unit 2 SAL21 and GCE A2 Sports Science Unit 2 AAL21

For Summer 2024 and onwards, both the externally examined units for GCE Sports Science and the Active Leisure Industry SAL21 and AAL21, will be marked online. This change requires some minor changes which candidates need to be aware of and these are outlined below:

There is a change in the Instructions to Candidates rubric which highlights the following:

- You must answer questions in the spaces provided.
- Do not write outside the boxed area on each page or on 'blank pages'.
- Complete in black ink only.
- Do not write with a gel pen.

Candidates must understand that whilst there should be sufficient space in the booklets for them to set out their responses to each question, they should ask for more paper when required.

- Candidates must not write outside the boxed area on any page as this will not be copied when scanned for marking.
- Candidates must not write on the blank pages as these will not be scanned.

Please ensure all candidates are aware of the above.
