November 2024

To: The Principals of Post-primary Schools and Directors of Further and Higher Education

For circulation to: All Heads of Geography, A2 Geography teachers and Examination Officers

## A2 Geography

### Answer booklets for 2025 summer and onwards

This circular is to advise you that the revised AGG11 Answer Booklet and the new AGG21 and AGG31 Answer Booklets have now been uploaded onto the GCE Geography section of the CCEA website, under the support tab. They may also be accessed directly using the link [Support | CCEA](#)

As noted in the previous circular (S/IF/45/24) these are all unstructured Answer Booklets, having no fixed section for any specific written answer. There will no longer be a blank page within the Unit 1 (AGG11) Answer Booklet. Candidates should draw any necessary diagrams on the lined pages of the unstructured Answer Booklet. The whole booklet will be scanned in colour to ensure clarity for markers and allow candidates to use pencils to draw and colour diagram/s. However, there will be a page with graph paper available within the A2 Unit 3 Answer Booklet. Candidates **may** use this to complete the graph section of the Decision-Making Exercise **or** construct the graph on the lined pages within the A2 Unit 3 (AGG31) Answer Booklet.

Thank you for your continued support for GCE Geography.
