Q&A Support Event for GLF41 Controlled Assessment

I wish to inform you of an upcoming support event for teachers who are preparing candidates for the Controlled Assessment unit of GCSE Learning for Life and Work.

It will take the form of a live, online, Question and Answer session with the Principal Moderator and an experienced Assistant Principal Moderator. The session will be offered on two dates for your convenience. The first is scheduled for Tuesday 5th November at 4.30pm and the second on Wednesday 6th November at 4.30pm. The main content of both sessions will take the same format, including an outline of the titles available as a starting point for Summer 2025, advice on how to manage the task then finishing with an open question-and-answer segment. Although each session will be live, a recorded version will also be uploaded to the Learning for Life and Work page of the CCEA website for any teacher who wishes to receive the information but cannot attend on either date offered.

To obtain a link to join one of the two session dates please contact aashfield@ccea.org.uk
