GCSE Statistics Teacher Guidance Document

CCEA has made a teacher guidance document available for GCSE Statistics.

The document provides elaboration of the subject content within the specification.

The elaboration outlines some further information on the learning outcomes for each unit.

Please note, this teacher guidance document is final. It replaces any previously shared draft teacher guidance.

The document can be found in the [Support section](#) of the GCSE Statistics area on the CCEA website.

The document can also be downloaded from [this link](#).
