Principal Moderator's Report

Internal Assessment Overview

Generally, the portfolios were accurately marked with some leniency shown in AO3. Evidence of internal moderation was not always evident.

Unit Overview

Sports Leadership

There was a very small entry for this series. Portfolios were well presented. Centres are to be congratulated on such a very good standard produced in challenging times.

AO1: This adequately met the needs of the specification, with both short questions and opportunities for stretch and challenge.

AO2: Photographic evidence was very good, photos were clear and appropriate. There were detailed examples of teacher observation records.

AO3: This was marked holistically and some evidence was available from the "My Diary" section. Centres tended to use the exemplar material.
