

Entry Level Art and Design Specification Addendum

Exceptional Assessment Adaptations (for 2020–2021)

This addendum should be used in conjunction with the current specification

Please note: This applies only to candidates cashing-in at qualification level in March 2021

1. No temporary adaptations have been made to this specification due to public health.
2. For candidates wishing to cash-in for an Entry Level qualification in March 2021, CCEA will require a reduced number of units for moderation as follows:
 - Centre delivers, enters and submits levels for 6 units as detailed in the specification. This may include work completed prior to 2020-21.
 - CCEA will moderate **3 of these units (either units 1, 2 and 3 OR units 4, 5 and 6)** selected by the centre at the time of moderation.
 - Units that have been previously awarded at unit level without a cash-in at qualification level will count towards the number of units required for moderation in March 2021.
 - The Entry Level qualification award will be based on all 6 units.
3. Unit level awards will still be available. Visiting Moderation will **not** take place. Centres will submit work to CCEA by a specified date. Further details will be issued in due course.
