

Entry Level Geography Specification Addendum

Exceptional Assessment Adaptations (for 2020–2021)

This addendum should be read in conjunction with the current specification

Please note: This applies only to candidates cashing-in at qualification level in March 2021

1. No temporary public health adaptations have been made to this specification.
2. For candidates wishing to cash-in for the Entry Level Geography qualification in March 2021, CCEA will require a reduced number of units for moderation as follows:
 - Centre delivers, enters and submits levels for 6 units as detailed in the specification. This may include work completed prior to 2020-21.
 - CCEA will moderate **3 of these units** selected by the centre at the time of moderation.
 - Units that have been previously awarded at unit level without a cash-in at qualification level will count towards the number of units required for moderation in March 2021.
 - The Entry Level Geography qualification award will be based on all 6 units.
3. Unit level awards will still be available and moderated in the usual way.
