

# Entry Level Mathematics Specification Addendum

## Exceptional Assessment Adaptations (for 2020–2021)

**This addendum should be used in conjunction with the current specification**

**Please note: This applies only to candidates cashing-in at qualification level in March 2021**

1. No temporary adaptations have been made to this specification due to public health.
2. For candidates wishing to cash-in for an Entry Level qualification in March 2021, CCEA will require a reduced number of units for moderation as follows:
  - Centre delivers, enters and submits levels for 6 units as detailed in the specification. This may include work completed prior to 2020-21.
  - CCEA will moderate **3 of these units** selected by the centre at the time of moderation.
  - Units that have been previously awarded at unit level without a cash-in at qualification level will count towards the number of units required for moderation in March 2021.
  - The Entry Level qualification award will be based on all 6 units.
3. Unit level awards will still be available and moderated in the normal way.
