

GCE Nutrition and Food Science Specification Addendum

Exceptional Assessment Adaptations (for 2021–2022)

This addendum should be used in conjunction with the current specification

The table below shows the units available for Summer 2022 cash in and details where applicable:

- the unit eligible for omission; or
- any adaptations that have been made to internally assessed tasks for 2021–2022; and
- any adaptations that have been made due to public health restrictions

Please note: This applies only to candidates entering in Summer 2022

1. AS Summer 2022

For those students who are due to cash in for the AS qualification in Summer 2022, should they choose to sit both units, they will receive the higher of either:

- the grade awarded on the basis of the outcome of the required unit specified by CCEA; or
- the grade awarded on the basis of the outcome of the full set of units for that qualification.

In both cases the full specification content should still be delivered.

2. AS (2021) contribution to GCE Qualification (2022)

For candidates who started their course in September 2020 and hope to achieve a GCE qualification level grade in Summer 2022, they will be awarded a grade based on their performance in their A2 units only.

3. Teaching Order

For candidates commencing their AS or A2 course in September 2021, it is recommended that, as far as possible, the units are delivered in numerical order in case of any further disruption to the academic year.
