For those students who started their GCSE course in September 2020 and are due to cash in the full GCSE in Summer 2022, should they choose to sit all units of the GCSE, they will receive the higher of either:

- the grade awarded on the basis of the outcome of the required units specified by CCEA; or
- the grade awarded on the basis of the outcome of the full set of units for that qualification.

In both cases the full specification content should still be delivered.

For candidates commencing their GCSE course in September 2021, it is recommended that, as far as possible, the units are delivered in numerical order in case of any further disruption to the academic year.
