

GCSE Mathematics

Assessment Arrangements for 2020–2021

- No unit omissions or temporary adaptations have been made to this specification due to public health restrictions for January and Summer 2021.
- Candidates must ensure all units have been completed to cash-in at qualification level in January or Summer 2021.
- For candidates commencing their GCSE course in September 2020, it is recommended that, as far as possible, the units are delivered in numerical order in case of any further disruption to the academic year.
