

Occupational Studies Levels 1 and 2 Technology and Innovation Specification Addendum

Exceptional Assessment Adaptations (for 2020–2021)

This addendum should be used in conjunction with the current specification

The table below shows the units available for January and Summer 2021 and details where applicable:

- any temporary adaptations that have been made due to public health restrictions; and
- the reduced number of units CCEA will require for moderation in Summer 2021.

Please note: This applies only to candidates cashing-in at qualification level in January and Summer 2021
