

Working in the Creative Crafts Industry Level 1 Specification Addendum

Exceptional Assessment Adaptations (for 2020–2021)

This addendum should be used in conjunction with the current specification

Please note: This applies only to candidates cashing-in at qualification level in Summer 2021

1. Please refer to the specific specification addendums at Level 1 for Creative Crafts, Employability and Understanding Business Enterprise for details of temporary adaptations due to public health.
2. For candidates who hope to achieve a Level 1 qualification in Summer 2021, CCEA will require a reduced number of units for moderation as follows:
 - Centre delivers, enters and submits levels for 10 units as detailed in the specification. This may include work completed prior to 2020-21.
 - CCEA will moderate **5 of these units** selected by the centre at the time of moderation.
 - Units that have been previously awarded at unit level without a cash-in at qualification level will count towards the number of units required for moderation in Summer 2021.
 - The Level 1 qualification will be based on all 10 units.
