This addendum should be used in conjunction with the current specification

The table below shows the units available for Summer 2021 and details where applicable:

- any temporary adaptations that have been made due to public health restrictions.
- the reduced number of units CCEA will require for moderation.

Please note: This applies only to candidates cashing-in at qualification level in Summer 2021

Unit 2:	Portfolio of Evidence with Internal and External Moderation	Summer	
Unit 3:	Portfolio of Evidence with Internal and External Moderation	Summer	For Unit 3, students must: 'Create, present and review their final item '. CCEA will accept instead: 'Create, present and review a final design intention / mock-up .'

Assessment Arrangements for candidates completing in 2021

1. For candidates who hope to achieve a Level 2 qualification in Summer 2021, CCEA will require a reduced number of units for moderation as follows:
 - Centre delivers, enters and submits levels for 3 units in one pathway as detailed in the specification. This may include work completed prior to 2020-21.
 - CCEA will moderate **2 of these units** selected by the centre at the time of moderation.
 - Units that have been previously awarded at unit level without a cash-in at qualification level will count towards the number of units required for moderation in Summer 2021.
 - The Level 2 qualification will be based on all 3 units.

2. Unit level awards will still be available and moderated in the normal way.
