

# Performance Skills Level 2 Specification Addendum

## Exceptional Assessment Adaptations (for 2021–2022)

**This addendum should be used in conjunction with the current specification**

**Please note: This applies only to candidates cashing-in at qualification level in November 2021 or Summer 2022.**

1. No temporary adaptations have been made to this specification due to public health restrictions for November 2021 or Summer 2022.
2. For candidates who hope to achieve a Level 2 qualification in November 2021 or Summer 2022, centres can choose to **omit one unit** of their choice:
  - Centre delivers the specification for three units as detailed in the specification.
  - Centres may choose to omit one unit of their choice from assessment and assess candidates on the remaining two units.
  - Centre enters candidates for only the units they will be assessed on.
  - Units that have been previously awarded at unit level will count towards the number of units required for cash-in at qualification level in November 2021 or Summer 2022.
3. Unit level awards will still be available and moderated in the normal way.
4. Visiting Moderation will be in place for November 2021 and Summer 2022; however, CCEA will keep this under review in light of the changing public health context.
