

# Understanding Business Enterprise Level 2 Specification Addendum

## Exceptional Assessment Adaptations (for 2020–2021)

**This addendum should be used in conjunction with the current specification**

**Please note: This applies only to candidates cashing-in at qualification level in January or Summer 2021**

1. No temporary adaptations have been made to this specification due to public health restrictions for Summer 2021.
2. For candidates who hope to achieve a Level 2 qualification in January or Summer 2021, CCEA will require a reduced number of units for moderation as follows:
  - Centre delivers, enters and submits levels for 5 units as detailed in the specification: 4 mandatory and 1 optional. This may include work completed prior to 2020-21.
  - CCEA will moderate **3 of these units** selected by the centre at the time of moderation.
  - Units that have been previously awarded at unit level without a cash-in at qualification level will count towards the number of units required for moderation in Summer 2021.
  - The Level 2 qualification will be based on all 5 units.
3. Unit level awards will still be available and moderated in the normal way.
