

# Working in the Creative Crafts Industry Level 2 Specification Addendum

## Exceptional Assessment Adaptations (for 2020–2021)

**This addendum should be used in conjunction with the current specification**

**Please note: This applies only to candidates cashing-in at qualification level in Summer 2021**

1. Please refer to the specific specification addendums at Level 2 for Creative Crafts, Employability and Understanding Business Enterprise for details of temporary adaptations due to public health.
2. For candidates who hope to achieve a Level 2 qualification in Summer 2021, CCEA will require a reduced number of units for moderation as follows:
  - Centre delivers, enters and submits levels for 11 units as detailed in the specification. This may include work completed prior to 2020-21.
  - CCEA will moderate **6 of these units** selected by the centre at the time of moderation.
  - Units that have been previously awarded at unit level without a cash-in at qualification level will count towards the number of units required for moderation in Summer 2021.
  - The Level 2 qualification will be based on all 11 units.
