

environmental technology

A2 Environmental Technology - Teaching year-possible structure

The following is based on;

- An allocation of eight 30/35 minute periods per week,
- A thirty week teaching year – does not include time for examinations/study leave,
- In the initial stage of the year teaching theory required to attempt Internal Assessment unit A2 2,
- Dividing the teaching year into three blocks,
- Using 16 weeks to teach theory and 14 weeks to complete internal assessment.

Weeks 1 – 7	Weeks 8 – 21	Week 22 – 30
