Number of pages attached, including this page:

**Please note:**

- This sheet must be attached to the front of each candidate's fieldwork statement and table of data.
- The fieldwork statement must include:
  - the title;
  - a statement of the aims and hypotheses to be tested; and
  - details of the location of the study (a relevant map may be included).

Candidates must **not** address other elements of their investigation in the fieldwork statement.
- The table of data must include:
  - primary data essential for investigating the aim of the study (secondary data may be included if relevant);
  - data collected for all variables relevant to the aim;
  - quantitative data (numerical scores) to allow for graphical representation (qualitative data may be included if relevant);
  - normal conventions including a title with all variables clearly stated and precise units of measurement;
- **Both candidate and teacher must sign the declaration below.**
- **The completed cover sheet, fieldwork statement and table of data must be attached to the candidate's question and answer booklet at the end of the examination.**

*Teachers, centres and candidates should note that CCEA may use extracts from examination scripts/ coursework material on an anonymous basis in educational presentations, materials and products.*
