During the examination or the production of non-examination assessment, a scribe:

- **must** write or type accurately, and at a reasonable speed, what the candidate has said;
- **must** draw or add to maps, diagrams and graphs strictly in accordance with the candidate's instructions, **unless the candidate is taking a design paper, in which case a scribe will only be permitted to assist with the written parts of the paper;**

In such circumstances, the completed scribe cover sheet is the only document which needs to accompany the candidate's script/non-examination assessment.
