

GCE Technology and Design Preparing Samples for Moderation, AS & A2 (STE21 & ATE21)

It is the responsibility of all centres to present GCE Technology & Design coursework samples to enable CCEA to carry out the moderation process efficiently and effectively.

- Please refer to the sampling instructions issued to your centre identifying candidates whose work has been requested by CCEA. Further guidance on sampling can be found in CCEA's GCE A2/AS E-Moderation Product-Type Subjects: Instructions to Teachers that is issued to all centres.
- Ensure the work of the **top** and **bottom** candidate is included in the sample. Please note that the bottom candidate is the candidate who has the lowest mark with a completed portfolio.

Postal submission (Written folder only)

- Instruct the candidates to insert the following details on each page as a header or footer:
 - ✓ Centre number;
 - ✓ Candidate number;
 - ✓ Section Headings (as per marking criteria); and
 - ✓ Page Numbers.
- Print eCRS and completed Candidate Permission Form
 - ✓ Make a copy of each sample, eCRS and Candidate Permission Form for your own records
- Preparing sample of postage:
 - ✓ Sample group must be separated into individual candidates with eCRS and Candidate Permission Forms attached to each portfolio
 - ✓ Each individual piece must be securely bound (slip binds should NOT be used) – it is advised to staple or place in presentation folder
- Place sample in order into examination postal bag or suitably sized box
- Follow the instructions from CCEA regarding collection/postage of sample
