<b>Please note:</b>	<p>Grade Boundaries for GCSE Linear specifications are set independently in each examination series.</p> <p>If you are planning to use these Grade Boundaries to estimate future performance and grades they must be used with caution as they are prone to change each series.</p> <p>At Component Level only the judgemental boundaries A, C and F are set.</p> <p>The A* grade is not awarded for individual components - it is only awarded at subject level.</p>
