Please note:	<p>The <i>Uniform Mark boundaries</i> will not change for the lifetime of this specification whereas the <i>Raw Mark boundaries</i> will be set independently in each examination series.</p> <p>If you are planning to use the Raw Mark boundaries to estimate future performance and grades they must be used with caution as they are prone to change each series.</p> <p>The A* grade is not awarded for individual units - it is only awarded at subject level.</p> <p>A* is now a derived grade set independently in each examination series. If you are planning to use the A* boundary from this series to estimate future A* boundaries it must be used with caution as it is prone to change.</p>
